ENVIRONMENTS
ARE JUST AS
COMFORTABLE AS
A TRADITIONAL
OFFICE.**

No two tasks are exactly the same. Each has its own set of limitations and requirements. So how can any setup work for every situation? The simple answer is they can't. The key is customization and flexibility.

Whether it's through the versatility and ease of reconfiguration of our Tequity panels, or the numerous options available on our industrial line of seating, Neutral Posture products provide the customization and flexibility to ensure your industrial/healthcare environments are just as comfortable as your offices.

TEQUITY™ PANELS

All the benefits and versatility of Equity for lab and industrial environments.

MAKE A STATEMENT WITH TEQUITY PANELS

In addition to our 8 standard powder coat colors, you can get Tequity panels in any unique RAL color. So go ahead and make a statement. Incorporate your corporate color throughout your building.
