

Project Registration

To register a project, the Dealer and/or Dealer Sales Representative is required to:

- Be in good standing with NP .
- Identify a specific, identifiable project (using the project name, building number and location if applicable) with a NP value of \$10,000 list or greater.
- Meet with the customer or designer to sell NP solutions for the project being registered.
- Complete and submit this form to NP.
- Registration is not valid until signed by the NP representative in the local market and the NP National Sales Director.

Project must be registered before it goes out to bid.
