

High Performance

With up to 16 active adjustments, pressure reducing seats and the most adjustable mesh back on the market, the Neutral Posture® Series is truly high performance seating for the body at work.

Task, Executive & Conference

Neutral Posture offers a wide range of styles, features and options to address any application needs, all while delivering the utmost support and adjustability.

Active/Guest

Guest seating is essential to an effective office layout. Neutral Posture offers a wide variety of options from the active sitting of the ONGO® to the classic stylings of the Embrace™ Guest.

Lab, Industrial & Healthcare

With revolutionary features, like the NeXtep®, Neutral Posture delivers the benefits of ergonomics to areas outside the office where worker comfort is often neglected.

Systems Furniture

When it comes to systems furniture the key is getting the most out of your space. Neutral Posture's centerline planning allows you to maximize your space and reconfigure with ease.

Workplace Accessories

Neutral Posture offers an assortment of workplace accessories in order to ensure a complete ergonomic workstation.
